

Bell Ringing

Could this be the hobby for you?

-  for all ages (10+)
-  an easy way to make friends
-  enjoyable - make a seriously loud noise!
-  you'll be welcomed at towers across the country
-  a great skill - use it for D of E!
-  inexpensive - you can get paid for weddings

How are BELLS rung??

Bells are rung from the 'UP' position with a rope that goes around a wheel. This allows a ringer to change the speed of the bell and the order in which they are rung.

Learn in easy steps....

-  Bell handing - on your own
-  Rounds - get in time with others
-  Change ringing - ring methods (tunes)
