Hello everyone,

I hope everybody reading this is well and keeping safe.

It seems from the media that we're now in a worse position than back in March 2020 and I suppose we could very easily lose sight of the light that constantly guides us from our Lord Jesus Christ who is with us every step of the way; and we could easily miss the light at the end of the tunnel from the vaccines that are being rolled out to the whole population of the United Kingdom, and I am relieved to say across the whole world. It came as an expression of personal hope to see that Bill Gates had invested over forty billion pounds in vaccines across the world including a factory in India to manufacture the Oxford-Zeneca vaccine. There is so much good being done across the world, not only by the rich and famous, but by neighbours in our own streets that if we take time to look we can see God in so many ways.

Things aren't easy at the moment but don't forget that we are all together in this current situation and we are all there for each other. If you find you need a chat, prayer, or some practical help then do reach out - either by phoning 01432 273086 or by contacting your Pastoral Coordinator.

We hope these resources help you feel connected as we worship as a scattered Church. Please be assured that you are not forgotten and that you are remembered in our prayers - and that we long for the day when we can meet again as the whole church in one body and one place.

God Bless,

Mike

Hello everyone,

This week you get two letters for the price of one!

Ruth and I just wanted to make sure that we are keeping you in the loop as much as possible, as everything is changing so quickly.

We have some disappointing news to share with you all - you might be aware that this week we had planned to interview for the post of the new Team Rector. Unfortunately, one of the candidates had to pull out of the process for personal reasons and the decision was therefore taken to cancel the interviews. The post is being re-advertised from this week, with a new interview date set at the start of March. Please do keep this process in your prayers!

As you know, we have closed the church buildings again, but we are working hard online and offline to keep the church community connected and praying.

With every blessing,

Jo and Ruth.
